The curriculum of university effectively integrates cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics and leads to a strong value-based holistic development of students. Various activities are organized throughout the year as part of the curriculum that help in this endeavor. **Gender Sensitivity:** Gender related courses are an integral component of various programmes. Students are sensitized and encouraged to work towards gender equity from a cross-cultural perspective. Free counseling services are provided through a Counseling Cell. Compulsory core courses along with the wide range of community outreach programmes that include health and hygiene camps, hole-in-the-wall and village adoption, enable exposure to real life situations. The Netaji Subhas University annually organizes seminars, conferences, guest lectures, exhibitions, street plays and literary activities that help in gender sensitization.

Environment and Sustainability: The university's strong community orientated work culture is based on the Sigma-Six Q sustainable way of life, that involves integration of water quality, air quality, education and healthcare, and agriculture, innovation and human values. The university has pioneered vocational and skill development education by introducing UG/PG programmes in Sanitation and Waste Management, Renewable Energy, Dairy Technology, Agriculture and Environmental and Green Technology. A compulsory core course on Environment studies is included in some UG programmes.

Human Values and Professional Ethics The university follows curriculum prescribed and integrates various socially relevant cross-cutting issues like ethics, human values, environment, etc., across UG and PG programs to sensitize the students Human Values and Professional Ethics. The curriculum has the following compulsory core courses in some UG programmes specially focused on the development of human values and professional ethics.
